

# PRIVACY POLICY

This privacy and cookies policy describes the rules for dealing with personal data and the use of cookies on the website operating at: <http://abeecloud.com/> (hereinafter referred to as the Website).

## 1. PERSONAL DATA ADMINISTRATOR

The administrator of personal data collected through the Website is Execon ITS Sp. z o.o. with its registered office in Warsaw (01-830) Al. Zjednoczenia 36, KRS 0000438623, NIP 522-30-00-519, Regon: 146365754 (hereinafter referred to as the Administrator).

All personal data collected and stored on this Website are processed in a manner consistent with the provisions of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and the repeal of Directive 95/46 / EC, General Data Protection Regulation (hereinafter referred to as GDPR) and in accordance with the Act of 18 July 2002 on the provision of electronic services.

Each entity using the Website is its user (hereinafter referred to as the User).

## 2. THE SCOPE OF PROCESSED DATA

For the purpose of providing services available on this Website, Users' personal data are processed, in particular: an e-mail address, name, surname and telephone number.

In addition, we also collect information contained in the system logs (e.g. IP address, date of connection with the website). This information is used for purely administrative and statistical purposes, not allowing the identification of an individual User. IP addresses are also used to collect general statistical demographic information about visitors to the Website. In accordance with the provisions of art. 18 par. 6 of the Act of 18 July 2002 on the provision of electronic services (Journal of Laws No. 144, item 1204), Execon ITS Sp. z o.o. may be required to provide information contained in the access logs (including, in particular, the computer's IP number) to the state authorities, authorized by law, for the purposes of their investigations.

## 3. PROCESSING OF PERSONAL DATA - OBJECTIVES AND BASES

Users' personal data is collected when using the contact form (name, surname, telephone number, e-mail address).

Personal data are processed on the basis of art. 6 par. 1 point a) GDPR in order to fulfill the request submitted in the content of the contact form and to contact with the User; The data may be processed until the consent is withdrawn for processing by the User.

The consent may be withdrawn at any time. The withdrawal of the consent does not affect the compliance with the processing that had been carried out before the consent was withdrawn.

The data may also be processed in order to submit the offer (art. 6 par. 1 let. b of the GDPR) - if the inquiry sent via the form contained a request for an offer.

Personal data is also processed on the basis of art. 6 clause 1 point f) GDPR (legitimate interest) in order to determine, pursue or defend claims that may be raised by the Administrator or which may be raised against the Administrator and for statistical purposes, as well as for the purposes related to the provision of direct marketing services by the Administrator.

When using the Website, additional information may be downloaded, such as the IP address assigned to the User's computer or the external IP address of the Internet provider, domain name, browser type, access time, operating system type, navigation data, including information about links which they choose to click or other activities undertaken on the Website.

The data is processed for the duration of the legitimate interest pursued by the Administrator - to improve the quality of services provided by the Administrator.

Providing the data is voluntary, but their non-indication will result in the failure to achieve the purposes for which they are collected - for example, the lack of the possibility of sending messages via the contact form.

#### 4. PROCESSING OF PERSONAL DATA - the User's rights

- the right to request access to, correct, delete or limit processing of data,
- the right to object to the processing,
- the right to transfer data,
- the right to withdraw consent to the processing of personal data for a specific purpose,
- the right to lodge a complaint to the supervisory body in relation to the processing of personal data by the Administrator.

Personal data are collected with due diligence and are adequately protected against access by unauthorized persons.

Your data will not be transferred to the territory of a third country or to an international organization.

#### 5. PROCESSING OF PERSONAL DATA - safety rules

The protection of personal data is carried out using the necessary technical and organizational measures to prevent their loss, destruction and damage, as well as unauthorized processing by unauthorized entities.

In connection with the implementation of the privacy policy and care for the interests of the Website's Users, we care about the correct and lawful processing of personal data, obtained only for specific purposes. We do not share or process data in a manner inconsistent with these purposes.

#### 6. COOKIES POLICY AND BROWSER SETTINGS

Cookie files (cookies) are small items of text information in the form of text files, sent by the server and saved on the side of the person visiting the Website. The Administrator may process data contained in Cookies when users visit the Website for the following purposes:

- memorizing data from the contact form;
- customizing the content of the Website to the individual preferences of the User;
- keeping anonymous statistics showing how to use the Website;
- adjusting parts of information displayed on the portal and on partner websites to the interests of the User.

A User who does not wish to use "cookies" for the purpose described above, is able to configure the settings of the web browser used in a way that prevents storage of the above-mentioned files in the computer's memory. They can also delete them manually at any time. In order to get acquainted with the detailed instructions of the procedure, please visit the website of the manufacturer of the web browser used. This, however, may hinder the use of the Website.

Cookie files may be deleted by the User after they have been saved by the Administrator, through appropriate functions of the web browser, programs used for this purpose or using appropriate tools available within the operating system used.

If you have any questions or concerns, do not hesitate to contact the Data Administrator directly, in the manner mentioned at the beginning of the document.
